

Potato Dressing

Potato dressing is an old Irish dish that my father loves with his roast turkey dinner.

Ingredients:

4 large potatoes, peeled and halved

1 small onion, finely chopped

2 tsp dry savory

1 Tbsp butter

Bring potatoes to boil in a large pot of salted water over high heat. Allow to cook until fork tender, approximately 15 minutes. Drain potatoes and mash using a potato masher. Add butter and stir to incorporate. Add savory and onion, mix well. Transfer to a serving bowl and serve.
